

Penn Oaks Quilt Guild Meeting June 14, 2021 Via Zoom

President Lynn Telson called the meeting to order at 7:05 pm. Everyone was disappointed that we had to cancel our outdoor in-person meeting due to the weather. Thank you to Robin McMillen for the work you did to hold the meeting at your house. We all are very appreciative and wish we could have seen each other again!

Lynn Telson thanked Kelly Meanix for serving as the Newsletter person for 12 years and presented her with a \$100.00 Gift Card to The Old Country Store. Kelly Meanix thanked everyone and wished Bob DeCarli good luck as he takes on the newsletter starting this new guild year.

Secretary – Kelly Meanix asked for a motion to approve the minutes. Jaime Loncaric made the motion, Carolyn Davis seconded it, all approved.

Corresponding Secretary – Maureen Carlson had no report.

Treasurer – Ellen McMillen reported we have a balance of \$15,870.71. There were no expenses this past month.

Membership – Bob and Kathy DeCarli said 17 people have turned in their membership renewals. Please send them your check if you were planning on giving it to them at the meeting tonight. Bob and Kathy DeCarli will set up a meeting with Elizabeth Young and Sarah Reindel over the summer to transition the position. There were 20 people at the meeting tonight.

Ways & Means – Marianne Caporale reporting for Robin McMillen said we will be collecting fabric, magazines, books and sewing notions for the Quilt Fair Sale. You may drop it off to them or they will pick it up. Please email Marianne Caporale to make arrangements. A list will be sent to members to let them know which committee members are collecting which items.

Programs – Lynn Telson and everyone thanked Jen for doing such a great job in this difficult year. Thank you, Jen.

Jen Burke will keep in touch with the church to see if the requirements change. If it does there is a possibility, we might have the August Bee. The September meeting will focus on the sale and the Challenge which had to be postponed again. We may have Zoom meetings in January and February when the chance for bad weather is high. Jen Burke and Donna Daley will work to start getting speakers for next year.

Website – Maureen Carlson has worked extremely hard to get the website up to date and is working on entering the historical items. We are all grateful for the tedious work that is involved with this endeavor! Thank you, Maureen.

Challenge – Angela Brant said you now have extra time to get your challenges finished! We will hold the Challenge in September.

Facebook - Jaime Loncaric is creating events for our Facebook page. Jaime bought a Cricut and is creating quilt themed mugs that she would like to sell at the Quilt Fair Sale. Everyone thought they were adorable, and it is a good idea! If you bought a Cricut machine and want some help, call Jaime!
